

International Symposium on Nucleon Structure

Date: 8th March 2018 (Thur.)

Time: 10:30-16:50

Place: Yamagata University, Kojirakawa-campus, Faculty of Science, Lecture Room No.13

Chair: Takahiro Iwata

Scientific Secretary: Yoshiyuki Miyachi

Invited speakers:

Oleg Denisov, Trino University,

Fabienne Kunne, CEA/Sacray

Wen-Chen Chang, Academia Sinica

Ralf Seidl, RIKEN

Toshimi Suda, Tohoku University

Katsuhiko Ishida, RIKEN

Scientific Program

10:30-10:40	Openig & Welcome; T.Iwata
10:40-11:20(40+10)	Nucleon Structure studied in COMPASS *; F.Kunne
11:20-12:10(40+10)	Nucleon Structure studied in RHIC*; R. Seidl
12:10-13:30	lunch
13:30-14:10(40+10)	Proton Radius measurement in ELPH*, T.Suda
14:10-14:50(40+10)	Proton Radius from studies in muonic hydrogen*, K.Ishida
14:50-15:10	break
15:10-15:50(40+10)	Recent Results of Drell-Yan Experiments in Exploring the Nucleon Partonic Structure, Wen-Chen Chang
15:50-16:40(40+10)	Nucleon Structure Studies in Future COMPASS program*, O.Denisov
16:40-16:50(10)	Closing remark, T.Iwata

*: tentative and to be confirmed

Social program: dinner after the session

Sponsors: Yamagata University, JSPS
